

What is Community?

High School Community is on select Sunday nights from 6:00–7:30. At Community we gather together as an ever-expanding family.

We eat dinner together, worship together, and learn about Jesus together. As a community we strive to continue to grow closer to Jesus through different types of worship experiences, sharing life, and discovering God's word.

Here is the schedule for community. We ask that each person brings \$3 for food, unless you are a first-time guest (of course, You are for Free!)
